
Business Analyst

NeuraLight is hiring!

We are seeking a highly skilled and motivated Business Analyst to join us in a 60% position on our mission to make a significant impact on the lives of millions affected by neurological diseases.

As a Business Analyst at NeuraLight, you will play a pivotal role in supporting our business operations, contributing to the advancement of our mission, and working in a vibrant, fast-paced environment that promotes continuous learning and professional growth.

About the Role:

- Perform detailed research on potential partners, focusing on their market positioning and clinical program pipeline.
- Analyze market trends and data to identify opportunities for business growth.
- Create and maintain comprehensive reports and dashboards to effectively communicate market insights to key stakeholders.

About You:

- Aligned with NeuraLight's core values (see below).
- 1+ years of experience in an analyst position.
- Strong analytical and problem-solving skills with great attention to detail.
- Excellent communication and interpersonal skills, with the ability to collaborate effectively with cross-functional teams.
- Proven track record of using data to inform business decisions, driving impactful outcomes, and delivering actionable insights.
- Advantage: Previous experience with Python, SQL, or other data querying languages.

About NeuraLight:

At NeuraLight, we're on a mission to transform the lives of billions affected by neurological disorders. Our AI platform, driven by proprietary Machine Learning algorithms automatically extracts digital oculometric markers from facial videos captured with a standard smartphone or webcam. This accelerates drug development, enhances monitoring and refines precision care. With \$30.5 million raised, and support from neurologists and Nobel laureates, we're redefining neurological care - join us on this impactful journey.

Our Core Values:

We are on an urgent mission

- Both as a team and as individuals we are driven by a mission to transform neurology and save and improve people's lives.
- The stakes are high, and we understand we need to take risks and be bold. We avoid stagnation, make decisions as soon as possible, and do our best to make progress and deliver quickly and effectively.

We are psychologically safe

- We encourage everyone to speak up, be vulnerable, and take initiative with ideas, questions, concerns, or mistakes.
- We respect everyone and take their thoughts and opinions seriously.
- We celebrate each other as individuals and professionals, we are an empowering team.

We enjoy the ride

- We believe the journey is no less important than the goal, so we do our best to enjoy the ride.
- We are proud of what we do and celebrate our successes, we exude optimism in the face of the serious and long-haul challenges we face.
